

Quiddler® Junior Educational Game Description

Quiddler Junior is a game primarily played for fun and entertainment. The fact that it teaches, strengthens and exercises an abundance of skills makes it one of the best possible tools for your classroom. Because it is fundamentally a game people enjoy, Quiddler Junior inspires an intrinsic motivation and desire to “play.” The repetition of playing again and again reinforces the skills that lead to success.

Quiddler Junior Strengthens

- **Cognitive Skills:** Analytical Skills, Cognitive Flexibility, Cognitive Processing Speed, Critical Thinking, Left Brain – Right Brain Connectivity, Problem Solving, Visual Processing and more.
- **Interpersonal Skills:** Collaborative Learning, Peer Assessment, Social Skills and more.
- **Intrapersonal Skills:** Emotional Skills, Executive Functioning Skills, Self-Assessment and more.
- **Physical Development:** Bilateral Coordination and Fine Motor Skills.
- **Academic Connections:** Collaborative Learning, Creative Writing, Cross-Curricular Approach, Differentiated Instruction, Reading Literacy, Referencing Skills and more.

Witty Word Wizards!

Playing Quiddler Junior is so much fun, your students won’t even notice they’re learning! Designed for specifically for kids, Quiddler Junior contains 103 unique playing cards and 96 point chips in increments of 1, 5 and 10 points for fun and simple scoring. Each card contains a letter or double letter, point value, kid-sized word, and a colorful illustration, making it fun to play and learn. The goal is to arrange all of your cards into one or more words and go out. Each round the number of cards dealt increases, offering a greater variety of word choices and upping the challenge! Aim for the 5-point longest word bonus to maximize your score!
