## Award-winning SET game now comes in a mini!

SET Mini Round is a quicker, easier version of the original award-winning game that comes in a fun 2-inch tin. The goal is to find the most *SETs*. A *SET* is 3 cards that are either *all the same* OR *all different* in each individual feature. There are three features in the Mini Round version: **color** (red, green or purple), **shape** (oval, diamond, or squiggle) and **number** (1, 2 or 3). There are no turns and no luck, the first person to see a *SET* from the 12 cards on the table says “*SET!*” and takes the *SET* from the table. The dealer replaces the 3 cards and play continues. The person with the most *SETs* at the end of the game wins! SET is a game of fast-thinking fun for the on-the-go therapist! Take it with you anywhere to turn “wait time” into game time!
